 4 Hinges (Specify positions on Customized Post Diagram, page 5) 
 No Hinges 

7) Index Arm:

- 1 Index Arm in Standard Position (Standard)
 1 Index Arm, Custom Position (Specify position on Customized Post Diagram, page 5) 
 2 Index Arms, Custom Positions (Specify positions on Customized Post Diagram, page 5) 
 3 Index Arms, Custom Positions (Specify positions on Customized Post Diagram, page 5) 
 No Index Arm 

8) Top Cap Brackets: See drawing on page 4 for details

- 4" Pipe (4-1/2" OD) See restrictions on page 4 6" Pipe (6-5/8" OD) 8" Pipe (8-5/8" OD)
 Pilaster 6" Square Tube

REMINDER: Gate speed, direction of swing, and degree of swing are fixed and cannot be changed in the field. Operator handing is determined by **STANDING ON THE SECURE SIDE OF THE GATE** looking out toward the public side.

- SwingRiser posts have two main configurations, ROLI and RILO. These come in either 90 degree or 100 degree swing.
- ROLI stands for Right Out Left In. If this post is placed on the Right it will Swing Out and if placed on the Left will Swing In.
- RILO stands for Right In Left Out. If this post is placed on the Right it will Swing In and if placed on the Left will Swing Out.
- The Index Arm and access panels will always be located on the secure side

 - Indicates an additional charge.

9) Degree of Swing:

- 90° swing (standard) 100° swing

10) Gate Handing for the SwingRiser (HRG 220):

- Left hand, swing out Right hand, swing out
 Left hand, swing in Right hand, swing in

11) Lock (pin and receptacle):

- Ground Lock Post Lock

12) Heater:

- Yes (Heater voltage will match Operator voltage)  No

13) Radio Receiver:

- Single Channel Open No Radio Receiver

Hoses:

Hoses are ordered on a separate order form. In most installations, the hose order is placed after the operator is installed to ensure that hose lengths are accurate.

SwingRiser (HRG 220) price includes up to 50 ft (15 m) of 1/4 inch hydraulic hose (custom cut to size to installer's field measurements). Two hoses are pre-filled with hydraulic fluid and supplied with quick disconnects. Submit completed and signed operator and hose order forms with each order. Additional hose is billed by the foot. **We will invoice for any hose over the included length of hose.**

Double check that one box within each of the numbered sections above has been checked. Page 5 must be included if your order contains customizations. The Order Form must be fully completed and signed before the order will be processed.

It is the responsibility of the customer to verify that the information on this order form is accurate. All custom orders are non-returnable.*
